Illiene Thomas: A Brief Bio

Illiene Thomas is an emerging Mexican-American visual artist based in Rosarito, Baja California, known for her vibrant mixed-media collages that weave personal narratives with cultural motifs from the U.S.-Mexico borderlands. Drawing from her bilingual upbringing, her works explore themes of identity, migration, and resilience, using recycled materials to create textured portraits and abstract landscapes. Featured in local exhibitions like Rosarito Artwalk and the Rosarito Art Factory, Thomas's art celebrates hybridity and community, bridging artistic traditions across the divide.
