## Juan Angel Castillo: A Brief Bio

Juan Angel Castillo Bertho, born in 1949 in Chalchihuies, Zacatecas, Mexico, is a renowned Baja California-based painter. A child prodigy who began creating art at age four, he moved to Rosarito over 45 years ago, drawing endless inspiration from the peninsula's dramatic landscapes. Known simply as "Castillo," he masterfully blends abstract and hyper-realistic techniques in oil paintings that capture nature's raw beauty. His works have been exhibited across Mexico, the US, Canada, Japan, and London, establishing him as one of Mexico's most celebrated contemporary artists.
